

## NEXT SUNDAY, August 20

**A MESSAGE FROM TIM MORRISON:** I've invited Glenn to join me for the "sermon part" and we will make it a "Q and A" opportunity for the people. This is something I did at Pilgrimage every summer along with Christmas in July. On a given Sunday morning, members/anyone present for worship could ask questions of me. Ideally they would be about UCC practices, meaning of scripture, my theology and beliefs, my faith journey, etc. Ideally the people present that morning will ask the questions "live." However I invited those who watch on FB to submit questions via email in advance or that morning during the service. (The Q and A will take place next Sunday, August 20 so please come prepared with your questions.)

**Also next Sunday**, a picnic will be held at Rust Pavilion at St. Paul's (behind Keifer Building). Please bring a dish to share. Table service and drinks will be provided. Chris Wright and Jennie Kather will talk about St. Paul's and campus tours will be available.

## MONDAY, AUGUST 21

The Ministry of Service and Missions is **hosting a meal at The Good Shepherd Center**. Volunteers are needed to prepare, serve, deliver and clean-up. Also needed are donations of hamburger buns, cookies and brownies. Please contact Andrea Colaiaco (724-813-5748) if you can help or donate.
